

BOM – Farm Girl Vintage – October 2015

Thanks to everyone who is participating in the Farm Girl Vintage Block of the Month. I hope you enjoy making these blocks as well as the extra little side projects I'll be sharing with you. The blocks due in September that you'll want to bring and share are: Apron Strings (pg. 8), Haystack (pg. 38), Milking Day (pg. 45) and Canning Season (pg. 17) – be sure to bring your blocks by the BOM table at the meeting and get your ticket for the drawing(s). I'll have a checklist with all participants names located at the table.

The blocks assigned for the month of October and due at the meeting in November are: Country Crossroads (pg.22), Crops (pg. 23), Pie Cherries (pg. 54) and Postage Stamps (pg. 57)

Be sure to pick up a flyer at the BOM table during the October meeting talking about some Block of the Month special project demos coming in the very near future. Looking forward to another month of fantastic farm girl blocks.
